Mental Health: Leading to a happy, peaceful and freedom life for mental health

Introduction: As today's world is full of work, personal and social pressures, most of humans in this world live with anxiety, nervousness, fear, other mental health problems, are unhappy, no peaceful and with no freedom in life. With so many high-profile suicides, depression has come to the forefront. It is described as a serious medical illness that leads to profound and constant feelings of sadness, hopelessness, helplessness and worthlessness. This world needs more positive energy to balance up the negative energy. Evelyn Leng Academy was founded to serve people, and by utilizing a theoretical analysis assists clients to plan and change their life in order to have a Happy, Peaceful and Freedom Life by creating more positive energy and educating their hearts. Based on spiritual studies (Christianity, Buddhism, Judaism, Islam, Hinduism, Confucianism, Baha'ism), academic studies and numerous motivational books like Dale Carnegie, Og Madino, Robert Kiyosaki, Business Management guru and 30 years of life experiences. Evelyn found that in life if we have love and money, life will be like a Paradise every day. For instance, if we have a work (job/ business) that we love, be with the people that we love, and enough money to live, she believes life will be fantastic and awesome. As we do not know when our last day in life, will be, we should just live in the moment, enjoy being here now, at this moment. Let's enjoy life together and do everything in Love.

Biography

Evelyn Leng is a curious, loves continual improvement culture, challenges & achievements, and serving people in her life. She has the passion to find out "what is the purpose of life?" since she was age of 3. Since she was small, she is passionate to have a freedom life so she can be happy. At the age of 10, she started to look for method can make her happy, because toys cannot made

her happy. At the age of 16, she started to attend church, and Jesus told her the meaning of life is 'Love'. Since then, she follows the rules for everything in love, even though her family was not agreed and made her very depressed, but she insists her belief and after 30 years of empirical research she has developed the "hierarchy of love". Only love can feed the soul, this is what she believes until now. And today she is financial freedom, and she can shares her love to the world.
