### Expert Level (Scientific Service Achievement Award)

This award will be given to the experts who made outstanding contributions to advancing in Neuroscience. It is the most prestigious award of the whole conference and is tagged as one of the scientific service Achievement awards. The eligibility criteria for achieving this award is that one should have a minimum of 20+ years of experience in the relative field in the public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can nominate deserving of the award online. This VASCULAR DEMENTIA 2020 Conference is one of the important platforms to explore Alzheimer's and Dementia research. One can take part in this VASCULAR DEMENTIA 2020 Conference and get a chance to receive this prestigious award.

### Professional Level (The Research Contribution Award)

The Award for professional or academic research activity acquired in the Neurology Research field in the public or private sector for experts having research knowledge at 10+ years in the field Neuroscience with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate deserving candidates through online.

### Scholar Level (The Upcoming Researcher Award)

The Dementia conference offers Scholar Level Alzheimer's Meetings Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of Neuroscience. Our

Neurology conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the Dementia and Alzheimer's disease conference along with 5 minutes panel discussions. You can nominate deserving of the award through online.

### Women Scientist (The Women of Science Award)

Dementia conference provides a unique platform for women scientists for presenting latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/Industries to who have 10+ years of research experience to join the forum. We are happy to encourage our women scientist's participants through Neuroscience research awards and provide assistance for women scholars in career development and Neurology research guidance through our collaborations. Women Scientist can nominate deserving candidates through online.

### Outstanding speaker in Dementia Congress 2020

This Dementia award aims at recognizing individual who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in Neuroscience Research. You can nominate deserving candidates through online portal.

### Best Keynote Speaker in Dementia Congress 2020

This Dementia Conference award aims to recognize the best Keynote speaker who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in Neuroscience Research.
