

30th International Conference on Insights in Ophthalmology

March 17-18, 2021 | London, UK

Sarah YF Chan

Professor, Universit Clermont Auvergne, Clermont-Ferrand, France, E-mail: nahcharas@hotmail.com

Research Contribution and Achievement

Conference Series LLC fosters and recognizes research excellence and leadership by recognizing the outstanding researchers, exceptional graduates or early academicians who have distinctive enthralment towards the conference themes. The Award strives in providing a strong professional development opportunity for early career academicians-meeting experts in the field, interacting with colleagues from other parts of the world and creating networks and long-term relations.

Call for Nominations

Expert Level

The award will be presented to the expert researchers who have done exceptional work in the field of Ophthalmologist. The award is considered the most distinguished award in the whole conference and it is termed as Scientific Service Achievement Award. The researchers should have a minimum of 20 years of research experience in the respective field. The anticipatory awardee should be passionate towards their work, willing to innovate and accept the aberrations happening in the research area with the introduction of recent trends. You can nominate anyone you feel deserving to the award.

Professional Level

The award will be presented to professional researchers in the field of Ophthalmologist with most relevant accomplishments. The award is termed as The Research Contribution Award. The researchers should have a minimum of 10 years of experience in academic or professional research. Part-time research experience would be counted as a pro rata. Doctorate degree is not a must have for this award nominees. They should be hard working, diligent, focused and

devoted to the specific field of interest. You can nominate anyone you feel deserving to the award.

Scholar Level

The award will be presented to upcoming researchers and scientists in the field of Ophthalmologist with a minimum of 10 years of experience. The award is termed as The Upcoming Researcher Award. The researchers with a new and transforming lookup towards research are encouraged. The researchers should bring new technologies and innovations to their work according to the new trends in their field. You can nominate anyone you feel deserving to the award.

Women Scientist

The award will be presented to Women Scientists and researchers in the field of Ophthalmologist with a minimum of 10 years of experience in relevant field. The award is termed as The Women of Science Award. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. We are delighted to encourage Women scientists and researchers by providing a platform where they can present their work and passion towards their research. You can nominate any women you feel deserving to the award.

Outstanding Speaker

In this category of award, we wish to acknowledge the speakers with great presentation skills, influential research work and long term excellence in the field of Ophthalmologist. The award is termed as Outstanding Speaker. You can nominate deserving to the award.
