The organising committee members of 52nd World Congress & Expo on Advanced Nursing and Nursing Practice have finally revealed the theme for this year is "Foundations of Nursing Practice". and it is going to be held in August 10-11, 2020 Beijing, China. Conference Series and the organising committee of GLOBAL NURSING SUMMIT 2020 acknowledges the efforts and contribution of scholars, researchers, academicians, and scientists in the field of Nursing and has decided to introduce various achievement awards for all the participants. Global Nursing Summit 2020 conference will offer various awards to outstanding researchers, scientists, exceptional graduates or early academicians who have a notable contribution to the field and possess keen interest towards the conference theme. The awards strive in providing a strong professional development opportunity for all researchers at different levels of their careers. Moreover our conferences will provide a much needed time and space for all to interact with colleagues from different parts of the world and to create long lasting networks and relations.

Below are some of the special awards that are being offered at Global Nursing Summit 2020.

Expert Level (Scientific Service Achievement Award)

The award is for experts who have made remarkable contributions in the advancements of [Nursing research](#). It is the most prestigious award of the whole conference and is tagged as Scientific Service Achievement award. The eligibility criteria for achieving this award are, one should have minimum of 20+ years of experience in the relative field in public or private sector. The recipient of this [award](#) should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects.

Professional Level (The Research Contribution Award)

The Award for professional or academic research activity acquired in Nursing field in the public or private sector for experts having research knowledge at 10+ years in the field of [Nursing](#) with most relevant

accomplishments. Part-time [research experience](#) would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged.

Scholar Level (The Upcoming Researcher Award)

The conference offers Scholar Level [Award](#) for the upcoming scientists, researchers and experts having 10+ years research experience in the field of [Nursing](#). Our conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions.

Women Scientist (The Women of Science Award)

Our [Conference](#) provides a unique platform for women scientists for presenting latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries to who have 10+ years of research experience to join the forum. We are happy to encourage our women scientist's participants through research awards and provide assistance for [women scholars](#) in career development and research guidance through our collaborations. Women Scientist can nominate deserving of the award through online.

Best Keynote Speaker and Outstanding Speaker in GLOBAL NURSING SUMMIT 2020
