# Awards 2020 on 3rd Global Diabetes

**Dr. Mojtaba Mafi,**

*Medical Doctor/ Physician, School of Medicine, Tehran University of medical science, Iran, Email: mojtaba12 @hotmail.com*

### Expert Level

The award is recognition to the professionals who have made outstanding contributions to Endocrinology and Diabetes research development. It is the symposium's most prestigious award and is designated as the Scientific Service Achievement award. The eligibility criterion for this award is that you must have at least 20+ years of public or private sector related experience. The winner of this award must have a committed interest and take the initiative to study recent trends and innovations on endocrinology and diabetic topics. You can nominate deserving personalities for this award online.

### Professional Level

The award is for professional or academic researchers experience gained in the field of  Diabetic Science in the public domain or private sector for experts with the most vital accomplishments having 10+ years of research experience in the field of Diabetic and Endocrinological Science. The experience of part-time work will be regarded as a pro-rata. It is measured from the date you received the (first) degree which entitles you to begin a doctorate (either in the country where the degree was obtained or in the country where the researcher is recruited), even if a doctorate was never been initiated or expected. You may apply for the award online.

### Scholar Level

The conference is presenting the Scholar Level award for future scientists, researchers, and experts with 10+ years of Diabetic and Endocrinological Science research experience. Our conference Endocrinology Meet 2020 aims to offer the best platform for expanding your network by sharing your on-stage research knowledge. Presentation involves 25-30 minutes of oral debate on the conference theme-based scientific research topics along with 5-minute panel discussions. You can nominate online deserving of the award.

### Women Scientist

Our conference provides women scientists with a unique platform for an in-depth analysis of the latest research projects. We cordially invite university/industry women scholars and scientists with 10+ years of research experience to join the forum. We are glad to encourage our women scientist participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women scientists can nominate deserving of the award online.

### Out Standing –Speaker

The award honors individuals who will present their initiatives, approaches, and schemes to boost long-term performance in Endocrinology and Diabetes.

### Best keynote –Speaker

The award recognizes the Best Keynote speakers who will present their projects, strategies, and schemes to improve long-term excellence in Endocrinology and Diabetes. If you were accepted as a keynote speaker by Program Manager, you can nominate deserving of the award online.

### Best Poster Presentation

Student's poster competition is organized at the conference Endocrinology Meet 2020, to encourage students and graduates to show their research. All approved abstracts will be discussed during the conference at the poster sessions. The goal of symposium Endocrinology  Meet 2020 is to set up a platform for all aspiring scientists and researchers to present their work in real-time and share their views and aspects relevant to the conference theme. You can nominate deserving personalities for this award online.

## Outstanding – Thesis

The award is recognition for Masters/Ph.D./Post Doctorate thesis work presentations who will exhibit their projects and thesis that have been applied to enhance long-term excellence in the field of Diabetic and Endocrinological Science. You can nominate deserving personalities for the award online
