

Awards Announcement of Global Congress on Sustainable Energy and Fuels December 10-11, 2021 Dubai, UAE

Dr. Jay Meegoda

Professor & Director of Geotech. Lab. Department of Civil & Env. Engineering, New Jersey Institute of Technology, USA, E-mail: meegoda@njit.edu

Awards 2021

On behalf of Organizing Committee, we would like to invite all the participants from all over the world to attend “[Global Conference on Sustainable Energy and Fuels](#)” during **December 10-11, 2021 in Dubai, UAE**, which includes prompt keynote presentations, Oral talks, Poster presentations, and Exhibitions.

[Sustainable Energy 2021](#) Conference gathers all the global leaders in Energy department to share their research at this exclusionary scientific program, The conference throws light on thought-provoking topics and recent research in the field of Sustainable Energy, Advanced Materials for Energy Storage, Generation and Transmission, Renewable Energy, Sustainable Energy Approaches, Biofuels and Bio-energy, Solar and Wind Energy, Hydro Power Generation, Marine Energy, Smart Grid Systems, Geothermal Energy and many more. The organizing committee is regulated up for an exciting and descriptive conference program along with inclusive lectures, symposia, workshops on a variety of topics, poster presentations and various programs for participants from all over the world. We invite you to join [Sustainable Energy 2021 Conference](#), where you are sure to have a meaningful participation with scholars from around the world.

Expert Level (Scientific Service Achievement Award)

The award to the experts who have made outstanding contributions to advancing in [Sustainable Energy](#). It is the most prestigious award of the whole conference and is tagged as scientific service Achievement award. The eligibility criteria for achieving this award is that one should have minimum of **20+ years of experience** in the relative field in public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can nominate deserving of the award through online.

Professional Level (The Research Contribution Award)

The Award for professional or academic research activity acquired in Environmental Sciences research field in the public or private sector for **experts having research knowledge at 10+ years** in the field of [Sustainable Energy](#) with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited),

even if a doctorate was never started or envisaged. You can nominate deserving of the award through online.

Scholar Level (The Upcoming Researcher Award)

The conference offers Scholar Level Award for the upcoming scientists, researchers and experts having **10+ years research experience** in the field of [Sustainable Energy](#). Our conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions. You can nominate deserving of the award through online.

Women Scientist (The Women of Science Award)

Our Conference provides a unique platform for women scientists for presenting latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries to who have **10+ years of research experience** to join the forum. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women Scientist can nominate deserving of the award through online.

Outstanding speaker in Sustainable Energy 2021

This award is recognizing for individual who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in [Sustainable Energy](#). You can nominate deserving of the award through online

Best Keynote Speaker in Sustainable Energy 2021

This award is recognizes for best Keynote speaker who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in [Sustainable Energy](#). If you were confirmed as keynote presenter from the program manager, you can nominate someone deserving of the award through online.

Best Poster Presentation in Sustainable Energy 2021

Student Poster Competition is organized at Conference, to encourage students and recent graduates to present their

original research. All accepted abstracts will be presented at the poster sessions during the conference. Conference Series aims at setting a platform for all the budding scientists and researchers to present their real-time work and share their views and aspects related to the theme of the conference. You can nominate someone deserving of the award through online.

thesis that have been implemented to improve long-term excellence in the field of **Sustainable Energy**. You can nominate deserving of the award through online. You can nominate someone deserving of the award through online.

Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Sustainable Energy 2020

This award is recognizing for Masters/Ph.D./Post Doctorate thesis work Presentation who will present their projects and
