

Conferences Series LLC Ltd International Summit on 15th International Conference on Agriculture & Horticulture to Promote Research on Agriculture Science to Expose the Latest Developments

Ohtsubo Ken'ichi

Professor, Niigata University, Japan, E-mail: ohtsubok@agr.niigata-u.ac.jp

Conferences Series LLC Ltd has successfully concluded its **14th International Conference on Agriculture & Horticulture** during August 15-16, 2019, Rome, Italy. More than 60 distinguished scientists, researcher, academician participated for sharing research advance, knowledge and expertise related to the agriculture and plant science worldwide. The 2 days conference, held on August 15th through August 16th provides the leading academic scientists, researchers and scholars to share their experiences and research results about all aspects of [Agriculture and Plant Science](#).

14th International Conference on Agriculture & Horticulture, 2019 was inaugurated followed by the keynote session by [Ze-Chun Yuan](#), Agriculture and Agri-Food Canada, Canada with the title “Isolation, characterization and application of beneficial bacteria for sustainable agriculture and horticulture” and [Junzeng Xu](#), Hohai University, China with the title “An application on rice of reasonably using canopy temperature to improve the precision of water stress monitoring”. After keynote session completion, oral sessions was Chair by [Ze-Chun Yuan](#), Agriculture and Agri-Food Canada, Canada and Co-Chair by [Junzeng Xu](#), Hohai University, China.

The conference's first day, featured panels on [Agricultural Engineering](#), Plant Science, Agriculture & Environment, Greenhouse & Horticulture, [Agricultural Production Systems](#), Fertilizer & Pesticide and Crop Protection & Entomology.

The second day began with a keynote session by [Jianlong Xu](#), Chinese Academy of Agricultural Sciences, China with the title “Selective introgression lines-based QTL mapping and QTL-designed breeding in rice”. After keynote session completion, oral sessions was Chair by [Jianlong Xu](#), Chinese Academy of Agricultural Sciences, China and Co-Chair by [Lorenzo Jesus Labrador](#), World Meteorological Organization, Switzerland.

The conference's second day, featured panels on [Agricultural Biotechnology](#), Livestock/Animal Farming,

[Crop Sciences](#), Soil & Water Management, Plant Science After oral session conference continue with an insightful poster session on the area of Agriculture and Plant Science. The conference concluded with the poster session.

Supported through the organizing committee network of renowned scientific and professional expert such as De Wrachien Daniele, Senior Professor of [Agricultural Hydraulics](#) State University of Milan, Italy, [Gunnar Wingsle](#), Professor of Swedish University of Agricultural Science, Sweden, Shinsuke Agehara, Assistant Professor of Plant Physiology, University of Florida, USA, Abbas Amini, Assistant Professor of Western Sydney University, Australia, [Madan K Bhattacharyya](#), Professor of Iowa State University, USA, [M S Swaminathan](#), Founder and Chairman of MS Swaminathan Research Foundation, India, Faruk Toklu, Professor of Cukurova University, Turkey and Narendra Kumar Gontia, Principal and Dean of College of [Agricultural Engineering and Technology](#), Junagadh Agricultural University, India, they provided a platform for collaboration among colleagues, vendors, and academia to reveal new innovations, solutions, ideas, and emerging technologies in [Agriculture and Plant Science](#).

Forthcoming Conferences on 15th International Conference on Agriculture & Horticulture during August 24-25, 2020 at Barcelona, Spain

Conferences Series LLC Ltd take great pleasure in inviting the scientific community across the globe to the **15th International Conference on Agriculture & Horticulture** during August 24-25, 2020 at Barcelona, Spain. Barcelona is capital and largest city of the autonomous community of Catalonia, as well as the second most populous municipality of Spain. Barcelona is considered as one of the best venue for conducting conferences due its favourite tourist destinations. This meeting will explore advances in the [Agriculture and Plant Science](#).

The upcoming [Agri 2020](#), focuses on development, challenges, advancement, new technique and study of Agriculture and Plant Science. This conference will also present the advanced research, advanced techniques for agriculture, horticulture and plant science.

The participants can exchange and share their research results covering the scientific aspect of agriculture and plant science, Challenges of Agriculture, how to develop production of Horticulture, Agriculture Engineering, [Plant Biotechnology](#), Sustainable Agriculture, Agronomy and Crop Sciences, Greenhouse & Horticulture, [Applied Plant Science](#), Plant Tissue Culture, Seed Science & its advancements, Biofertilizers and Biopesticides, Plant Pathology and Entomology, Agriculture Engineering & its Applications, [Crop Protection and Awareness](#), Agricultural Biotechnology & Agroforestry, Global Climate Change, Natural Resources Management, Rice & Wheat Research, Plant Phonology and Physiology, Biotechnology for Agricultural Waste Recycling, Post-harvest technology, Livestock Farming & Production, Organic Farming, Agribusiness & Entrepreneurship in the [Agri 2020](#).

Conference will encourage [Young Researcher's Forum](#), scientists and the researchers in their early stage of

career graph to widely discuss their outcome so as to enrich and develop the idea. The '[Best Poster Award](#)' is meant to encourage students in taking active part in the International Science platform to sharpen their skills and knowledgebase.

The Sponsor in the [Agri 2020](#) can reach and get exposure to new clients, customer, business, brand awareness and media exposure. The sponsorship has different levels Premium Sponsorship Packages: Elite Sponsor, Silver Sponsor, Gold Sponsor, Exhibition, Additional Sponsorship Packages and Advertisements. The **15th International Conference on [Agriculture & Horticulture](#)** will consist of organizing committee network of renowned scientific and professional experts.

For further details, please contact us.

Best Regards

Richard Thomas
