

## Editorial Note of Global Journal of Nursing & Forensic Studies

**Shabaaz Baig**

Osmania University, India

I am pleased to introduce Global Journal of Nursing and Forensic Studies presents original, peer-reviewed research findings clearly and directly for clinical applications in all nursing Specialties. Regular features include “Ask the Experts,” research briefs, clinical methods, news and announcements, book reviews, and an editorial section. Global Journal of Nursing and Forensic Studies covers such areas as pain management, patient education, discharge planning. We have been started in year 2016 Global Journal of Nursing and Forensic Studies (ISSN: 2572-0899) is growing continuously. It is our pleasure to announce that during year 2019, all issues of volume 12 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

The journal covers a broad spectrum of topics for study that discusses theories and concepts. Nursing is a profession within the health care sector focused on the care of individuals, families, and communities so they may attain, maintain, or recover optimal health and quality of life. Global Journal of Nursing & Forensic Studies is an Open Access, Peer-reviewed journal that includes a wide range of fields in these areas and creates a platform for the authors to make their contribution towards the journal. It aims to publish the most complete and reliable source of information on discoveries and current developments and high impact nursing researches in the mode of original articles, review articles, case reports, short communications, etc. in this field and provide online access to the researchers worldwide.

During the calendar year 2019, Global Journal of Nursing & Forensic Studies received a total of 35 papers, out of which 10 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 16 articles were subjected for publication after they are accepted in the peer review process. In the 4 issues of Volume 12 published during the year 2019, a total of 16 articles were published (at an average of 3 articles per issue of which, articles were published from authors all around the world. A total of 30 research scientists from all over the world reviewed the 16 articles published in volume 12. Average publication period of an article was further reduced to 14-21 days.

During the calendar year 2019, a total of three Editors, ten Reviewers joined the board of GJNFS and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal.

I take this opportunity to acknowledge the contribution of Editor-in-chief and Associate Editor during the final editing of articles published and bringing out issues of GJNFS in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, language editor, honorary editors, the scientific advisory and the editorial board of GJNFS, the office bearers for their support in bringing out the new volume (Volume 13) of GJNFS for the calendar year 2020 and look forward to their unrelenting support further to release more issues for Global Journal of Nursing & Forensic Studies. GJNFS in scheduled time
