

International Conference on Cardiac Imaging and Diagnostics September 18-19, 2020 Dubai, UAE

Jaswinder Singh Gandhi

Amrit Drug Deaddiction and Research Foundation, Amritsar, India

ME conference series is organizing “[International Conference on Cardiac Imaging and Diagnostics](#)” which is going to be held on September 18-19, 2020 Dubai, UAE. The Theme of the conference is “**Commitment to Excellence in the field of Cardiac health and chronic issues**”. This conference is going to cover the entire field related to [cardiology](#), its complication and the management and it also cover what is the innovative treatment related to their disorders. Our Conference can review the major event in developing, upgrading and teaching Endocrinology, Diabetes thyroid reproduction and metabolic syndromes and many more. Our Discipline strongly bracing by the possibilities offered by [Heart Diseases & Heart Failure](#) and by the progress in experimental pharmacology, needs this important moment, which can be reviewed by our World Congress Event. In the same way, the achievements of randomized clinical trials, epidemiological surveys, and large meta-analysis will allow us to better understand the possibilities and advantages of our therapies and diagnostic approaches.

Our conference includes a well-balanced line up of speakers, covering both broad and specific topics of interest. Our aims to provide cardiac physicians, specialists, nurses, technologists and anyone professionally involved in Cardiovascular Disease with an opportunity to learn about the complexity of the disease, discuss interventional procedures, look at new and advanced cardiac practices and their efficiency and efficacy in the treatment of various cases, and understand local realities and practical constraints in improving patient-care. The Cardiac Imaging Meet 2020 will be organized around the theme “One step forward towards the Advancements in Cardiovascular Research and Clinical Cardiology”.

Alessandro Ferrario with the Tittle “Plastic surgery after massive weight loss”

Anshoo Agarwal with the Tittle “Metabolic Syndrome and Obesity in Children with Genetic Disorders”

Muhammad Kashif with the Tittle “Dealing with obesity at a public sector hospital in Pakistan, A third world country with limited resources”

Vahid Eidkhani with the Tittle “Impaired Fasting Glucose (IFG) prevalence surge among Iranian adolescents in a decade: The Tehran lipid and glucose study”

For the upcoming Conference “3rd Global Meeting on Obesity and Diet Imbalance” The Organizing Committee Member (OCM) are

Loai Mohammad Fakhery Bani Issa Nursing Director/Quality consultant/ C. Instructor/Hospital, PHC, BIU M Lab, Ambulatory, Dental clinic Surveyor.

Nechama Cohen is Director Jewish Diabetes Association, Certified Naturopath, Diabetes, Nutrition Coach

Dr Mojtaba Mafi is OCM World Scientific Federation of Neuroscience,

Why to attend?

The Cardiovascular Research conference interrelates with members across the globe focused on learning about Global Cardiovascular Research and Clinical Cardiology and its specialties. This is the sole best opportunity to reach the major participants. Sharing the knowledge and demonstrations, information and B2B meetings with industrialists and potential clients to make a splash with innovative products live and brand recognition at this event. World prominent speakers, the most recent techniques, and the cutting-edge updates in Cardiovascular Medicine and Cardiac Surgery are hallmarks of this conference.

Cardiac Imaging Meet 2020 will join world-class teachers, scientists, Surgeons and cardiologists to discuss methodology for ailment remediation for heart, Thoracic region, Electrocardiography, Heart Failure, Nuclear Cardiology and stroke.

EDITORIAL BOARD/VERIFIED
REVIEWER/ACADEMIC SPEAKER&AUTHOR,
SCIENTIST

The Next series of conference organize by ME conference is 24th World Congress On Pediatrics Neonatology and Primary Care which is going to be held at Helsinki, Finland at October 19-20. The Theme of the conference is Current Emerging Trends To Save a Child.
