Dental Medicine and Surgery focuses on recent innovations. This meeting will unite the Investigators, Instructors, Clinicians, Dental experts, Professors to give a global examination to the dispersing of one of a kind investigation results, new considerations and suitable change experiences which concentrate on both theory and practices in our Remedial social occasions.

The recent advancements in Oral care were enlightened and discussed in 34th International Conference on Dental & Oral Health which was held during October 21-22, 2019 Helsinki, Finland with the theme of "Bringing life to your Smiles" received a spectacular response.

With the active participation and support of the Organizing Committee Members, Editorial Board Members and impressive presentations of all eminent scientists, talented researchers and young student community made this conference one of the most successful and productive events in ME Conferences.

The conference was initiated with a warm welcome note from our Honorable guests and followed by Keynote sessions. We would like to convey the great appreciation for Mojtaba Mafi, the Honorable moderator for the conference who contributed a major part to the success of this event.

The highlights of the meeting were the enlightening keynote lectures from:

- Mahmoud YM Taha, Professor Glasgow University, United Kingdom
- Amer A. Taqa, Professor, UK College Of Dentistry, United Kingdom
- Artemio JR. Licos, Doctor Illocos Training Medical Center, Philippines

Orthodontics 2019 would also like to thank the following speakers for their splendid presentations on their research.

- Dheyaa N Obada, Baghdad University, Iraq
- Paul L. Ouellette, Jacksonville University, USA
- Jylan Elguindy, Cairo University, Egypt
- Dimitrios Tziapas, Hamdan Bin Mohammed College of Dental Medicine, UAE

We earnestly thank the Organizing Committee Members, Participants and Media Partners for their thoughtful presence and liberal support, without which the conference would not have reached the apex of success. Your response is our inspiration; recalling this maxim and seeing the triumph of Orthodontics Meet 2019, ME Conferences would like to announce the commencement of the International Conference on Orthodontics scheduled on September 25-26, 2020

We welcome all the eminent researchers, professors, students and delegate participants from worldwide to partake in this forthcoming gathering to witness invaluable scientific discussions and add to the future advancements in the field of Cardiology Research.
