

Latest Advances in Oral and Dental Medicine 2020

Ms. Carol Wells

Registered Dental Hygienist, Certified Biological Dental Hygienist, International Academy of Biological Dentistry & Medicine, Canada, E-mail: cwells137@gmail.com

International Oral Health conference welcomes you as our guest to the City of Barcelona, Spain during September 21-22, 2020. Oral Health 2020 includes nearly every permutation of knowledge, innovation, technology, discussions and networking with an objective of creating an International forum for academicians, practitioners, leading scientists, researchers, young scientist and business professionals to discuss the soundest issues related to Oral Health and Dentistry which covers the entire oral health & dentistry community and research worldwide.

The conference is organized by Conference Series.com with the theme "Observing, understanding and forecasting the art and science of Oral Health" and focuses on topics like Dental Hygiene and Oral Health, Oral Medicine & Antibiotic Prophylaxis, Oral and Maxillofacial Surgery, Oral Cancer & Dentures, Pregnancy and Oral Health, Periodontal Diseases, Robotics in Dentistry, Geriatric & Nano Dentistry, Dental Anaesthesia, Oral Implantology, Halitosis and Tooth Decay, Heal Ozone, Mouth Sores. With its scientific sessions, you are provided assurance to explore the latest technologies and breakthroughs that are specific to your area of expertise.

Conference Series hosts Oral Health 2020 and supports broad scope research and peer review at a broad range of specialists around the world. The key strategic objective of Conference Series is to communicate science and medical research between academia, and industry. Through inspiring sessions and tons of

networking, attendees will learn to be even more audacious and bold than they are now and free to grow their mind and business.

Oral Health 2020 conference provides students, researchers, PHD candidates, young and budding scientists, business people to represent themselves at this prestigious conference and to present their research to the attendees and help in aligning themselves to the present research, new techniques and tools. Oral Health 2020 meeting encourages research contributors by giving awards to the best research topic in every category like Best Key Note Speaker, Best Organising Committee Member, Best Speaker, Best Poster Award and Best Thesis work presentation.

Those who are Dentist, Oral Health Specialist, Dental Anaesthesia Specialist, Dental Technician, Dental Nurse, Psychophysicist, Drug manufacturers related to Oral/Dental care, Professors, Students, Researchers can attend the conference and avail various benefits like meeting eminent people, developing and sharing their skills and knowledge, growth in professional network, opportunity to organize or participate in a workshop, can conduct or attend hands on session if interested.
