

Past Conference report of 11th International Conference on Neuroscience and Neuroimmunology

Muhammad Akbar Malik

The Brain Associates, Pakistan

Abstract

With a great support from our Collaborators and Organizing Committee, PULSUS Conferences successfully completed the “10th International Conference on Neuroscience and Neuroimmunology” (Neuroimmunology 2019) which was held at Dublin, Ireland on June 09-10, 2019.

We would like to thank all our fantastic keynotes, speakers, conference participants, students, organizations, media partners, exhibitors and visitors for making Neuroimmunology 2019 a successful and memorable event. The meeting was carried out through various sessions, in which the discussions were held on the following major scientific tracks:

Neuroscience | Neurodegenerative Disorders | Neuroimmunology | Neurology

Neurogenetics | Neurosurgery | Neuroinflammation | Neuropharmacology

Neurodegeneration | Neurorehabilitation | Neurophysiology | Brain Disorders and Therapy

The conference proceedings were carried out through various Scientific-sessions and plenary lectures. The conference began with an opening ceremony followed by a sequence of presentations given by both Honorable Guests and keynote forum participants. Keynote speakers comprising-

Arturo Solis Herrera, Photosynthesis Research Centre, Mexico;

Tammi Taylor, Jackson State University, USA;

Ben Ampil, Amplius Management Consultancy, Philippines;

Giovanni Antioco Putzu, Casa Di Cura Sant'Elena, Italy;

Mohamed A Fahmy Zeid, Alexabdrria University, Egypt

We are also compelled by enabling active discussion forums to multiple delegate specialists, business officials and other eminent personalities who endorsed the meeting. We sincerely thank the members of the Organizing Committee for their gracious presence, support and support for the 2019 Neuroimmunology achievement. With the grand success of Neuroimmunology 2019, We are proud to announce the “11th International Conference on Neuroscience and Neuroimmunology” (Webinar) to be held during June 08-09, 2020.
