Awards for Traditional Med Meet 2020

Expert Level

The award is recognition to the professionals who have made outstanding contributions to Traditional and Complementary Medicine development. It is the conference's most prestigious award and is designated as the Scientific Service Achievement award. The eligibility criterion for this award is that you should have at least 20+ years of public or private sector related experience. The winner of this award should have a committed interest and take the initiative to study recent trends and innovations on related topics. You can nominate deserving of the award online.

Scholar Level

The conference is presenting the Scholar Level award for future scientists, researchers, and experts with 10+ years of traditional and complementary medicine research experience. Our conference aims

to offer the best platform for expanding your network by sharing your on- stage research knowledge. Presentation involves 25-30 minutes of oral debate on the conference theme-based scientific research topics along with 5-minute panel discussions. You can nominate online deserving of the award. The winner of this award should have a committed interest and take the initiative to study recent trends and innovations on related topics. You can nominate deserving of the award online. We are happy to encourage our women scientist participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations.

Women Scientist

Our conference provides women scientists with a unique platform for an in-depth analysis of the latest research projects. We cordially invite university/industry women scholars and scientists with 10+ years of research experience to join the forum. We are happy to encourage our women scientist participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women scientists can nominate deserving of the award [online](#).
