

## World Congress on Breast Cancer & Therapies

**George Silva**

Professor, LAbeck University, Germany, E-mail: [sg17082017@gmail.com](mailto:sg17082017@gmail.com)

10th World Congress on Breast Cancer & Therapies (Breast Cancer Summit 2020) a webinar, will be held from June 11-12, 2020. Breast Cancer Summit 2020 is based on the theme “Breast Cancer & Therapies: Fight Together for a Cancer Free World during Covid-19”.

Breast Cancer summit 2020 aims to provide optimal health and healthcare to adolescent girls and women, with focus on the prevention, diagnosis of Breast Cancer, as well as related Genetics, Pathophysiology, Epidemiology, Clinical Reports etc. The shift in medicine and healthcare from management of disease towards promoting wellness is a keystone in addressing the upstream caused of disease and ensuring that all women have equal opportunities. Therefore, it is very appropriate to bring together the experts in the field from all over the globe as we share experiences and knowledge and work together on reducing the risk and creating awareness of Breast Cancer.

Breast Cancer Summit 2020 will gather radiologist, radiation oncologist, surgeon, breast care nurse, healthcare faculty, healthcare associations and societies and professionals working in the sector of breast cancer care, cancer diseases, mammogram, breast ultrasound, biopsy and other allied fields. Breast Cancer Summit 2020 will be gathering hospitals, academia and industry in a single platform. ME Conference is glad to schedule the 4th Annual Conference on Skin Cancer and Dermatology which is during December 10-11, 2020 Abu Dhabi, UAE.

As per the public health is concerned, we are also having an option of video/online presentation. These webinar will allows large groups of participants to engage in online discussions or training events and share audio, documents or slides.
