Professor, LAbeck University, Germany, E-mail: [sg17082017@gmail.com](mailto:sg17082017@gmail.com)

11th World Congress on Breast Cancer & Therapies (Breast Cancer Summit 2021) a webinar, will be held from August 05-06, 2021. Breast Cancer Summit 2021 is based on the theme "Together We Can make Difference Against Breast Cancer".

Breast Cancer summit 2021 aims to provide optimal health and healthcare to adolescent girls and women, with focus on the prevention, diagnosis of Breast Cancer, as well as related Genetics, Pathophysiology, Epidemiology, Clinical Reports etc. The shift in medicine and healthcare from management of disease towards promoting wellness is a keystone in addressing the upstream caused of disease and ensuring that all women have equal opportunities.

Therefore, it is very appropriate to bring together the experts in the field from all over the globe as we share experiences and knowledge and work together on reducing the risk and creating awareness of Breast Cancer.

Breast Cancer Summit 2021 will gather radiologist, radiation oncologist, surgeon, breast care nurse, healthcare faculty, healthcare associations and societies and professionals working in the sector of breast cancer care, cancer diseases, mammogram, breast ultrasound, biopsy and other allied fields. Breast Cancer Summit 2021 will be gathering hospitals, academia and industry in a single platform.

As per the public health is concerned, we are also having an option of video/online presentation. These webinar will allows large groups of participants to engage in online discussions or training events and share audio, documents or slides.
