

Young Researchers Forum of 29th World Diabetes & Heart Congress

Lance Sloan,

Texas Institute for Kidney and Endocrine Disorder, United States, Email: tikedlufkin@gmail.com

[Diabetes & Heart Expert Meet 2020](#) invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: Diabetes & Heart Expert Meet 2020. This Diabetes & Heart Expert Meet 2020 Young Scientist Awards will be announced at the upcoming "29th World Diabetes & Heart Congress" this March 25-26, 2020 at Tokyo, Japan."

This [Young Scientist Award](#) is an initiative of Conference Series to provide recognition to the Young Researchers who have shown great potential in their respective fields of research. We at Conference Series always encourage the young budding minds to start their career in the field of research and innovations. The core of our Young Research Forum- Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at Diabetes & Heart Expert Meet 2020 provide the best networking experience to the participant for their overall professional growth and to promote the collaborative research

About Conference

Conference Series LLC LTD is an open resource platform that conducts 3000+ global events including International Conferences, Workshops, Symposia, Trade Shows, Exhibitions and Science Congresses in all the major scientific disciplines, including Clinical, Medical, Pharmaceutical, Engineering, Technology, Business Management, and Life Sciences across America, Europe, The Middle East, and Asia Pacific. It is reaching over 25 million researchers, scholars, students, professionals and corporate entities all over the globe. We encourage our authors and conference participants through research and travel grants, young research awards and assist in career development and research guidance through 1000+ collaborations with NGOs, scientific and academic Year

Eligibility Criteria for Young Scientist Awards: Diabetes & Heart Expert Meet 2020

The Diabetes & Heart Expert Meet 2020: Young Scientist Awards: is for all young Researchers, Research Scholars (Preferably Ph.D., Post Doc, and Post Graduates & Graduates) who have involved themselves in the R&D sector. The candidates should have a minimum of 3+ years of research experience and published a minimum of 3 research articles in international journals. Part-time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization

Basis for Judging

Nominated candidates need to present their research or talk for 25-30 minutes. The subject should be under the scope of the Diabetes & Heart Expert Meet 2020 conference. Selection will be based on individual accomplishments, quality & standards of research, noble thought, research methodology, innovative ideas, style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain

Nomination

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The first author must be the student & the student's advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the [Diabetes & Heart Expert Meet 2020](#): Young Researcher Award should send their resume, along with a letter of recommendation (from a research adviser/faculty/organization heads) to diabetesexperts@asiameets.com along with the online

application at the Diabetes & Heart Expert Meet 2020 Award page.
