### Past Conference Report:

EnviTox Summit 2018

18th Global Summit on Environmental Toxicology and Pharmacology (EnviTox Summit 2018) was hosted by the Conference Series LLC LTD in Singapore during September 17-18, 2018 with the theme “To converse solutions to Toxic Ecosystem.

The conference was successful with the participation and support of the Organizing Committee Members, Eminent Speakers, Young Researchers, Delegates and Students. The conference was initiated with the Opening Ceremony where the Honourable Guests delivered their valuable speech

### Eligibility Criteria for [Young Scientist Awards: Environment Congress 2020](#):

The Environment Congress 2020: Young Scientist Awards: is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and Postgraduates & Graduates) who has involved themselves into the R&D sector. The candidates should have minimum 3+ years of research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

**Applications are invited on first come first serve basis. Only 25 nominations will be accepted globally.**

### Judging Criteria.

Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the **Environment Congress** conference. Selection will be on the basis of individual accomplishments, quality & standards of research, noble thought, research methodology, [innovative ideas](#), style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

### Nomination:

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The student must be the first author & the student’s advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the **Environment Congress 2020: [Young Researcher Award](#)** should send their resume, along with a letter of recommendation (from a research adviser/faculty/organization heads) to [environmentaltoxic@asia-meetings.com](mailto:environmentaltoxic@asia-meetings.com) along with the online application at the [Environment Congress 2020](#) Award page.

### Presentation:

This award will be presented at Auckland, New Zealand during **Environment Congress 2020** conference.
