

Recent advancements and Innovations in Pathology and Laboratory Medicine

Robert H. Schiestl

Professor of Pathology and Environmental Health, UCLA Schools of Medicine and Public Health, USA, E-mail: RSchiestl@mednet.ucla.edu

After gaining a very favourable outcome out of the past conference in the Laboratory Medicine Conference series, CME accredited-14th **International Conference on Pathology and Laboratory Medicine**–Pathology Meetings 2020, Conference Series takes all the pride in announcing the Upcoming Conference in the successful series of Pathology Conferences.

Pathology Meetings 2020–The two day gathering of world-renowned researchers, surgeons, experts and practitioners of Clinics, Therapeutics, Diagnostics, Advanced Nursing Practices, Artificial Intelligence & Robotics, Forensics, Drug Designing and all the other diversified fields in Pathology field is scheduled on **March 02-03, 2020** in **London, UK**.

The 14th **International Conference on Pathology and Laboratory Medicine**–**Pathology Meetings 2020** is going to happen on the 02nd and 03rd March, 2020 in London, UK. Pathology Meetings 2020 desires at integrating all the renowned Laboratory Specialists, Researchers and Doctors, Medical professionals, Fellowship holders, Residents, Pharmaceutical industries and Healthcare industries in the field of Laboratory Medicine and Pathology. The objective of this conference is to gather like-minded coteries to facilitate the flow of ideas, thoughts, suggestions and motivations

This **Pathology and Laboratory Medicine Conference** runs on the theme “Recent advancements and Innovations in Pathology and Laboratory Medicine”, which concedes that Pathology Meetings 2020 will act as a platform for exploring the novelties in the field of medicine and pathology. In this gathering, the breakthroughs related to medicine and pathology are about to be deliberated and cognizance of the treatments is to be shared.

Pathology Meetings 2020 will serve a great opportunity for the delegates of universities and Institutions as it allows people to interrelate with world-class surgeons, laboratory experts, pathologists, professors, researchers and businesspersons. Our vision is to bring the eminent speakers together and interconnect the researchers and scientists across the globe. We provide a platform where exchange of ideas can take place and enable the researchers to think in different dimensions to help them in getting innovative ideas.

Pathology Meetings 2020 will not simply be a stage estimation in a gigantic event of people, yet additionally, it’s an attempt to spread research advances in the ever evolving-field of Pathology and Laboratory Medicine Conference.

The scientific event focuses on this **Pathology Summit** on the research which is currently being undertaken in the field of Pathology and Laboratory Medicine including Digital Pathology, Neuro Pathology, Advanced Nursing Practices, Therapeutics, Clinics, Antibiotics, Pharmaceuticals, AI & Robotics, and many more.

Pathology Meetings 2020 Conference embraces Keynote speeches, Oral, Poster and Video Presentations. The fostered participants can confirm their participation by registering in Pathology Meetings in 2020. All the accepted abstracts will be published in the supporting journals like Journal of Clinical and Experimental Pathology; Journal of Molecular and Genetic Medicine, Clinics in Laboratory Medicine

This conference will help the attendees in building a strong professional network by facilitating a fresh perspective of ideas, knowledge in recent advancements, one-on-one engagements and streamlining of techniques. **Pathology Meetings 2020 Conference** is organized under the belief that one-on-one interactions and discussions open door to innovations and inventions. We are proud facilitators of such an opportunity.

Pathology Meetings 2020 welcomes: Pathologists, R&D Companies, PhD Scholars, Physicians, Healthcare Companies, Medical Equipment Companies, Laboratory Medicine Societies, Advertising Companies, Surgeons, Researchers, Scientists, Business delegates, Laboratory Medicine institutions, Companies and Clinics, Medical Colleges, Faculties, Associations, Diagnostics centres, Pharmaceutical Industries, Product development and marketing professionals, Healthcare Industries, Medical devices manufacturing companies.

We soulfully welcome you to London and hoping that Pathology Meetings 2020 will inspire you and will result in new collaborations and friendships!
