To whom it may concern.

Dear Office/Editor of the National Library of Medicine,

I, Dr. Syed Faisal Zaidi, am currently a Post-Doctoral Fellow and principle investigator in the Institute of Natural Medicine, University of Toyama which is center of excellence for natural medicine in Japan. I have published more than 15 scientific papers with one patent and recently received Young Investigator Award in South Korea. I am also in the editorial board of Journal of Alternative & Integrative Medicine (AIM). The editorial board members and journal staff have worked very hard for the journal to establish its high professional standing and there by recommending this journal to be indexed in PubMed.

Best regards.
